2. UPON ARRIVAL AT PEELBERGEN

- 2.1. Park your truck at the directions of our parking attendants.
- 2.2. We are not longer requiring a negative covid test. So you can skip this part and go directly to the stable managers office to check in and get your stable numbers.
- 2.3. Now it is time to unload your horses and place your horses in the allocated stables (with or without first bedding). At every horse stable we have provided a Temperature record sheet. Please fill in the required contact details and note the twice daily temperature checks on this sheet.
- 2.4. Fill in the Horse registration form and place the form in the designated box. This will prompt a veterinarian to come and check your horses. Wait at the stables and have your horses' passports and thermometer ready.
- 2.5. Please add the horses temperature during the show twice a day in the FEI Horse App.
